

# Raising Money for Autism

## Appendix I

- 1.) Release of Liability Form:
- 2.) Consent and Release of Guardian Form:
- 3.) Volunteer Sign Up Sheet
- 4.) Bowl-a-Thon Flyer

In this section you will find all the forms you need to do a Bike-a-Thon Fundraiser for Autism. You may use these forms, modify them in any way you deem appropriate for your fundraising efforts. We recommend that you show them to your non-profit group's attorney and seek professional legal advice to make sure you, your group and all participants are protected from any unfortunate legal challenges arising from your event. If you choose to use any of these forms, you will need to remove the logo and replace it with your non-profit group's logo, as it is copyrighted. The rest of course is yours and you may use to your heart's content.

## Release of Liability Form

The following release of liability form is the one we used, the verbiage can be copied, although, we advise that an attorney in your group review it, as case law often changes who such things play out in a court of law; in the case of an injury or death during such a non-profit fundraising event. You will need to obviously replace your non-profit Autism logo with ours. We sure hope this helps you in your efforts and hope you understand why this is such an important issue and why it is critical to have such a liability release form.

This event has been put together to help STRIDE 4 AUTISM a 501 (c) (3) organization in Nevada to raise money for their scholarship fund called: "Joshua's Fund 4 Autistic Children" Scholarships will be awarded quarterly beginning January 2008.

These scholarships will be awarded to those affected by Autism up to the age of 18. Most Insurance Companies do not cover treatments, therapies, medication, or medical aids for those diagnosed with Autism. Leaving the families without the resources to get the help their child will need, as these can be very costly. Stride 4 Autism awards scholarships to the children in need so they will be able to get treatments, therapies, medications, medical or education aids.
