# CHARITY BOWL 4 AUTISM TOURNAMENT

This event has been put together to help STRIDE 4 AUTISM a 501 (c) (3) organization in Nevada to raise money for a scholarship fund called:

*"Joshua's Fund 4 Autistic Children"*

Scholarships will be awarded quarterly beginning January 2008.

These scholarships will be awarded to those effected by Autism up to the age of 18. Most Insurance Companies do not cover treatments, therapies, medication, or medical aids for those diagnosed with Autism. Leaving the families without the resources to get the help their child will need, as these can be very costly.

Stride 4 Autism awards scholarships to the children in need so they will be able to get treatments, therapies, medications, medical or education aids.

We at Stride 4 Autism know what it is like to have no means to help a child with Autism, as that is what happened to us when our son Joshua was diagnosed with Autism, our insurance co. refused to cover any care for him under the diagnosis. That is the heart and soul as to why this organization was formed.
