

Raise money for Autism Scholarships and for an organization of your choice

How wonderful will it be to raise money for Autism and a Charity of your choice? Not many fundraisers are like this one! But we at Stride 4 Autism realize the needs for many charities to raise money so we decided why not invite other organizations to join in a venture with us and we will split the proceeds with those charities 50/50. We will do all the planning and foot work but at the same time involve others in need. All of the Organizations involved have a opportunity to bring in funds to help them out during these harder times, when money is tighter, bills are higher, and donations tend to fall. So lets get together have a great time in Reno NV while doing something GREAT.

Riders are encouraged to raise a minimum of \$100.00 in pledges. You do not have to have pledges to ride all may participate but we do encourage pledges as this is a fundraiser. Those who raise \$125.00 and have their pledge mailed in by June 18th 2008 will receive a BIKE 4 A CAUSE T-SHIRT. Or you may purchase a T-Shirt for \$25.00 Please indicate size(s) and quantity below
YSM, YMD, YLG, SM, MED, LG, XL,*2XL TO *4XL
 * sizes 2XL—4XL are an additional \$4.50 per shirt.

Who does Autism Affect?

It occurs in all racial, ethnic, and social groups and is four times more likely to strike boys than girls. Autism impairs a person's ability to communicate and relate to others. It is also associated with rigid routines and repetitive behaviors, such as obsessively arranging objects or following very specific routines. It is devastating for families, many parents will never hear their child utter a word or ever hear "I Love You Mommy and Daddy" never receive a hug or a kiss from the child they love so much the child that is in their own world without knowing the love the family has for them nor understanding it. Many will need care for the rest of their lives, and never have a conversation with anyone they, will continue to live their lives through frustration and tears. But with therapies this can change and YOU can help by raising money to pay for these Therapies that health insurances won't cover.

PRESENTS:
